Instructions to Elector

1. Before marking the accompanying ballot paper you must produce-
 - (i) the ballot paper showing the number thereon;
 - (ii) this declaration; and
 - (iii) the envelope in which you received this declaration and the ballot paper,

to some person to whom you are known (not being a candidate at the election or the agent of a candidate), who will witness the declaration of identity.

(See other side)

2. You must sign the declaration of identity in the presence of the witness.
3. You may vote for only 1 (one) candidate
4. You vote by marking the ballot paper on the right-hand side with a cross opposite the name of the candidate for whom you vote, thus **X**.

You should mark the ballot paper secretly; if you cannot vote without the assistance of some other person, that person must not disclose how you voted.

5. Immediately after voting you must place the marked ballot paper in the enclosed small envelope "A" and fasten it up. You must then place the envelope marked "A" together with this declaration of identity, in the larger envelope marked "B" addressed to the returning officer and dispatch it by post without delay. The ballot paper, in order to be counted, must be received by the returning officer not later than the close of the poll.
6. If you receive more than one ballot paper, remember that it is illegal to vote more than once at the same general election or by-election.
7. As an absent elector at this election you cannot vote at the polling station but only by post.
